

EXPRESSION OF INTEREST Out of Catchment Students

Windaroo State School has an enrolment management plan in place and our ability to accept students who live outside our catchment area depends on whether we:

- have capacity once all in catchment enrolments are met
- allow for students relocating into the catchment area during the year
- ensure out of catchment enrolments do not reduce our capacity to meet in catchment enrolments.

PLEASE NOTE: You are also able to enrol your child/ren at your catchment school.
